

Conqueror

 arjowiggins

Conqueror
CX22, Wove, Laid,
Stonemarque, Contour,
Iridescent

Stoneywood Mill, Scotland

Products data

Arjowiggins works to continually reduce the environmental impact of paper manufacture.

- All Conqueror Mills have a certified accredited Environmental management system (ISO 14001).
- Fully FSC certified
- Carbon Neutral in 14 countries: UK, Germany, Belgium, Luxembourg, Netherlands, Switzerland, Finland, Denmark, Norway, Iceland, Sweden, Austria, Australia and New Zealand.

Conqueror is ideal for business stationery, brochures, annual reports, invitations, promotional literature.

Conqueror is available in various finishes (CX22, Wove, Laid, Stonemarque, Contour, Iridescent) in various colours and weights from 80g to 400g.

Fibres sourcing

Virgin FSC fibres*: 100%

*Virgin fibres are FSC credit mixed sources and ECF bleached, without using chlorine gas.

Chemicals

- No substances classified as carcinogenic, mutagenic or reprotoxic (CMR) are used as raw materials.
- Chemicals are sourced that have low impact on the environment.
- Arjowiggins complies with the new REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) European regulation created to improve protection of human health and the environment from the risks that can be posed by chemicals as well as the promotion of alternative methods of assessments, and enhancing competitiveness and innovation.

Certified environmental management systems

ISO 9001 (Quality)	FM 12551 Valid until 14-09-2018
ISO 14001 (Environment)	EMS 34922 Valid until 14-09-2018
ISO 50001 (Energy)	ENMS 619111 Valid until 22-07-2018
FSC	TT-COC-002043 Valid until 04-04-2020

Our transports

Arjowiggins transport policy is eco-responsible, optimising logistics and taking environmental issues into account: minimizing distances between raw material, mills and customers, shifting volumes to rail and sea transport wherever possible.

Our packaging

All of our cardboard and polythene packaging material as well as the pallets are recyclable.
